Citizen Attendees	Jason Brake came in to ask questions about the Sheriff's office. It was suggested that he talk with the Sheriff since these were items that the Commissioners can't answer.			
Citizen Attendees	John Brewer came in to ask questions about the ramp for the courthouse. The commissioners updated him on the process. He also talked about questions on a parcel in Clyde.			
Auditor (11:00am)	Jerri Miller - Auditor. Commissioner Reiter talked to Jerri about the concern John Brewer has with parcel records in Clyde. Jerri is aware of the situation. Jerri presented sales tax update. Sales tax was up. Revenue and expense budgets were reviewed. There were only a couple of funds that were slightly over but not of too much of a concern at this time. Commissioner Reiter asked Jerri her thoughts on cash flow. When we looked at the expenses everyone is staying within their budget, maybe spending earlier in the year has made the difference. The spending in PI has been for maintenance items that have been let go for too long and now need to be done.	Jerri Miller - Auditor		
Budget Commission (11:30am)	Jerri Miller and Irma Celestino - Budget Commission members. The budget commission came in to talk about where the budget is at and the cash balance. There are some concerns on memberships that Jerri feels should be eliminated. Some of our memberships may overlap. There was talk of having a performance audit to see where we are fiscally. Commissioner Reiter asked Jerri if she would take the lead to get information on the audit. Jerri did ask about the elected officials meeting to have some discussion. Commissioners would like to meet again but want the meetings to be constructive and not a place to complain. Everyone would like to see better communication. There should be an agenda set up to communicate what is going on county wide.	Jerri Miller - Auditor Irma Celestino - Treasurer
