Scheduled/Completed Trainings

Multiple webinars through the ASPCA and the HSUS are being worked on by kennel staff.

To Discuss

I am currently trying to find a company for a quote for the dog containment that will be installed in the new truck where the back seat is. No luck so far.

We are still on hold for purchasing a second vehicle until the dealerships get vehicles in.

Our print date for 2022 Dog Licenses is November 22nd. Mailing date will be November 29th.

The warning signs about leaving animals and children in vehicles have been completed by the Engineers office. We are currently delivering them to the local businesses.

A meeting is scheduled with Theresa, Joanne and myself to iron out some of the issues we are having with the humane stuff.

Events

Veteran's Day is coming up.

T shirts for fundraisers for both the SDF and the Alpha Project ongoing.

Questions?

Current / Ongoing Projects:

- Dark fiber – Ohio Telecom working on possible paths, initial route has poles owned by Spectrum who will not provide access to anyone else
- Application hosting – Akamai selected as solution to provide secure remote application access
- County network – switches, FortiAnalyzer and FortiNAC received
 - Additional bandwidth – pricing for additional bandwidth at jail received.
 - AT&T = \$1459 / Granite = \$1295
 - Professional services – awaiting quotes for switch project.
- County email
 - M365 finalized as product to implement – need to get some additional info before getting final migration pricing
 - Email filter/archive – delays from vendor. Have been in constant contact requesting updates
- Virtual servers – 2 servers left to migrate
- Common Pleas – Wide Area Media started installation of audio/video equipment.
- Clerk of Courts – awaiting PO to purchase replacement PCs
 - Court management system – Pioneer selected as vendor of choice. Helping COC with additional info needed to finalize decision
 - Website – migrating website to GoDaddy
- SC Engineer
 - Backups – new drives installed and configured. Setting up immutable cloud backups.
 - Phone system – getting upgrade options
 - Audio/video system – getting options for new system
- Backups – implementing replication, SureBackup (backup verification), and CDP (continued data protection) for critical systems
 - Jail data center backups – setting up immutable backups to the cloud
- Cybersecurity – received quote of \$70k for MDR, this includes monitoring, detection and response
- Anti-phishing – new campaigns and training implemented
- EMA – finish setting up smart board
 - Avtec radio console – setup backup console and radio equipment
 - Remove Zetron equipment
- SCSO
 - AVTEC radio console – Software update scheduled.
 - 911 phone system
 - Setting up backup services – Phone gateway mounted, working on connecting lines. Will work with vendor to complete configuration.
 - Radio systems – Bender Communications provided quote for replacing Rt. 412 equipment. Waiting for P&R quote. New jail repeater ordered.
 - CAD/RMS/JMS – waiting on process and pricing for enterprise platform
- EMS – working with chief, ongoing fax issues.
- City of Fremont
 - Setting up two factor authentication and network security log and reporting
 - Fremont Police – server and backup equipment quoted, restructuring their network for better management and security
 - Backups – forwarded selected vendor quote
 - Dark fiber – project on hold until city confirms ARP funding
 - WTP – restored lab computer, working on backup quote
 - WRC – waiting for backup quote from vendor, looking into replacing all servers
