Review of External board / Meetings Attended by Commissioners	Commissioner Miller attended a meeting last night held by the Army Corp of Engineers and ODNR. They were talking about the grass carp in the area. The carp are running about three feet long and are invasive. They eat vegetation and they are also big enough if in a pond they could knock a small child down. It is hard to fish or snag these fish to thin the population. They are going to build a bubble fence in the river that the fish will not cross and it will guide them to a section they can be pulled from the river. They are not new to the river they are just over populated. It is causing habitat issues with other fish in the river by not allowing them to migrate normally.	Scott Miller		
	Regional Planning meeting was reschedule for 11/20/23			

	Commissioners Schwochow and Miller attended the Veterans Day ceremony in front of the courthouse. It was a great event and very well done. They had a World War II Veteran in attendance. There were several speakers and all branches of the service were thanked.	Charles Schwochow Scott Miller

	Adam Greenslade stopped in to talk with the Commissioners. He talked about the election results and wondered if Sandusky County can do a running result as precinct numbers are tallied instead of waiting until all the numbers are totaled. He also talked about community projects and the capital bill. Seneca County starts listing projects early. He wondered if Sandusky County does this. Green Springs, Sandusky County and Seneca County issues were discussed.
